

LATEST CRAZE

There is a growing demand on the Suburb for basement swimming pools.

These were never part of the original design so that to install one now requires the demolition of the whole house. Once the hole has been dug and the swimming pool built, the house is then reconstructed to the original design. The latest one under construction is in Spaniards Close and as can be seen from the photograph nothing remains except the front wall.

LE VESINET EXCHANGE

One of the objectives of our twinning with Le Vezinet is to facilitate exchanges between families in England and France. During the Easter holiday, Huzefa Mongan, who is 12 years old and lives on the Finchley Road, went to stay with Thomas Bouquet in Le Vezinet. The return visit took place in August when Thomas came to visit the Suburb. For both families the exchange was very successful. There are a number of children in Le Vezinet looking for exchanges with Suburb families and if anyone is interested they should contact Chris Kellerman at the Trust Office (455 1066) for further information.

HORTICULTURAL SOCIETY AGM

As always, for an English event, the weather played a significant part in the affairs of HGS Horticultural Society in 1987. When growers needed sunshine, it rained. When they needed warmth, it was cold... However, despite all this, the three shows held throughout the Summer were pleasant and successful, with large, professional displays of fruit, vegetables and flowers and inter-

esting cookery on show. Cups and prizes will be presented at the AGM of the Society on 24th November at 8pm at Fellowship House. New members or potential members and all Suburb residents are welcome to come along. If anyone has new ideas for coming Seasons, please submit them in writing to the Hon. Secretary, Joan Rees Phillips, 90 Brim Hill, London N2 0EY. MH

ILLEGAL FENCE

The new owner of 1 Wellgarth Road was not aware that before putting up fences on the Suburb one is required to get the prior approval of both the Trust and Barnet. This

important site has been spoiled by the fence and the photograph shows why hedges are such an important feature of the Suburb environment and need to be preserved.

RECORD PRICE

Falcon House in Winnington Road was recently sold to a local businessman for £3¼ million, which is a record for the Suburb. The house was originally owned by the Ronson family and was extensively modernised before it was re-sold.

HEALTH CENTRE HELPS HOSPICE

On Saturday, 11th July 1987, the Temple Fortune Health Centre 'threw open' its doors to raise funds for the North London Hospice which recently acquired some land in North Finchley to build their own Hospice.

It was a marvellous day with a carnival-like atmosphere. The doctors and staff of the health centre enthusiastically threw themselves into running stalls, side-shows and refreshments.

A very enjoyable time was had by everybody and the staff at the health centre would like to thank all those who supported this event. Over £3,100 was raised and it is hoped that this event can be repeated in two years time.
