INSTITUTE SEEKS ENTHUSIASTS

Would you like to teach adults at the Institute? Like all adult education centres, we are constantly on the lookout for people with the ability to pass on their knowledge, skills and enthusiasm to our students. Some of our most successful courses are suggested to us by individuals who contact us with a view to teaching a subject in which they have a particular interest and expertise.

Many of them are not, in fact, qualified teachers, yet they have a tremendous aptitude for stimulating the learning process in others and, with a little help, they become an asset to the Institute.

General interests (including Foreign Languages (including Portuguese), Art, Craft and Dressmaking, Assestivness Training, Counselling Skills, Film Studies and Non-Advanced Microcomputing) Physical Activities and Health (including Health Education, Self Defence and Tennis)

If your specialisation is not on the list, please do not be put off. One of the most exciting characteristics of adult education is that, because many of its students are not studying for examinations, it can be more experimental and far-reaching in
