

CATALYST? WICKED!

Chubby Checker and the Fat Boys, The Bangles, Bananarama and other stars of the highest galactic magnitude hit all the right notes as Catalyst, the Hampstead Garden Suburb Youth Club celebrated the summer break. More than 30 members twisted, walked like Egyptians and danced to the music with volume pumped up by courtesy of Giants Disco.

With the start of the Autumn Term, Catalyst is back to its regular schedule, meeting on Mondays from 6-8 pm at the Hall just off Central Square (see map). The Club is open to all 9-15 year-olds in the community providing the chance to meet and make friends.

Members can listen to music, play chess, snooker or table tennis, paint and draw or just sit and chat and buy refreshments. In summer we add tennis, football and orienteering. All this and more for just £1.50 per term and 25p per session!

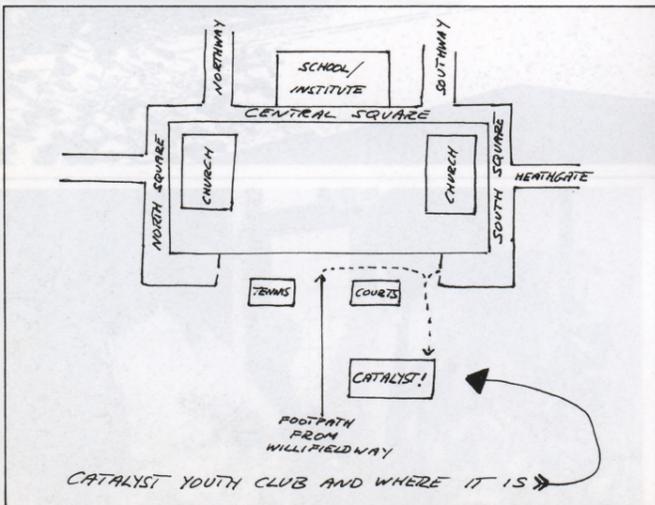

Run by a committee of local

parents Catalyst has no affiliations and is completely independent. There is a Youth Leader and volunteer helpers are in attendance at all times. The new committee bade farewell to retiring members Robert Slowe, Chris Clyne and Wendy Trowman. All three have contributed enormously to the success of the Club over the years.

New members are always welcome — the first sessions are free and we look forward to seeing you. For information call Geoff Tarn on 458 6100.

AUTUMN IN WILDWOOD ROAD

*Damp misty mornings,
Dew on the heath.
Warm colours,
Bright and jolly.
Red is a coal fire,
Dancing away.
Yellow and orange,
Leaves falling from trees.
Days are getting shorter,
Nights are getting longer,
And everything is getting colder.
Finding conkers after school,
Dark brown and white,
White ones go brown
After a few days.
Halloween approaches.
Autumn is my favourite time.*

Rupert Watkins.

WORDSEARCH WINNER

Congratulations to Robin Healey of Meadway Gate who won the summer wordsearch competition. Robin, age 13, who plays the piano, found the subject of musical instruments quite straightforward. He has lived in the Suburb for 12 years having spent part of that time in Belgium. After the Garden Suburb School he moved at age 11 to University College Junior School. He loves sport and plays soccer and cricket for school teams. His interests are chess and drama, being a member of the Hampstead Garden Suburb Dramatic Society. He has performed in three of their productions. With his Book Token, Robin is planning to buy a book on model railways as he is working at present on an N-gauge layout. EW
