

Repointing & Restoration Appeal

I want to Gift Aid my donation of £ _____ and any donations I make in the future (*delete if not appropriate*), or have made in the past 4 years (*delete if not appropriate*), to the The Parochial Church Council of the Ecclesiastical Parish of St Jude-on-the-Hill, Hampstead Garden Suburb, Charity No 1133988.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

My details:

Title:..... First name or initials:.....

Surname:.....

Home address:.....

..... Postcode:.....

Signature:.....

Date.....

Please notify St Jude's if you:

- > want to cancel this declaration
- > change your name or home address
- > no longer pay sufficient tax on your income and/or capital gains

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HMRC to adjust your tax code.

Please tick this box if you would like your contribution to remain anonymous.

Thank you so much for your support!

When will the works take place?

St Jude's anticipates that erecting the scaffold will start in early March and that the works will be completed by early June. Hopefully, it will all be finished in time for the Proms at St Jude's 2021 festival.

How to donate:

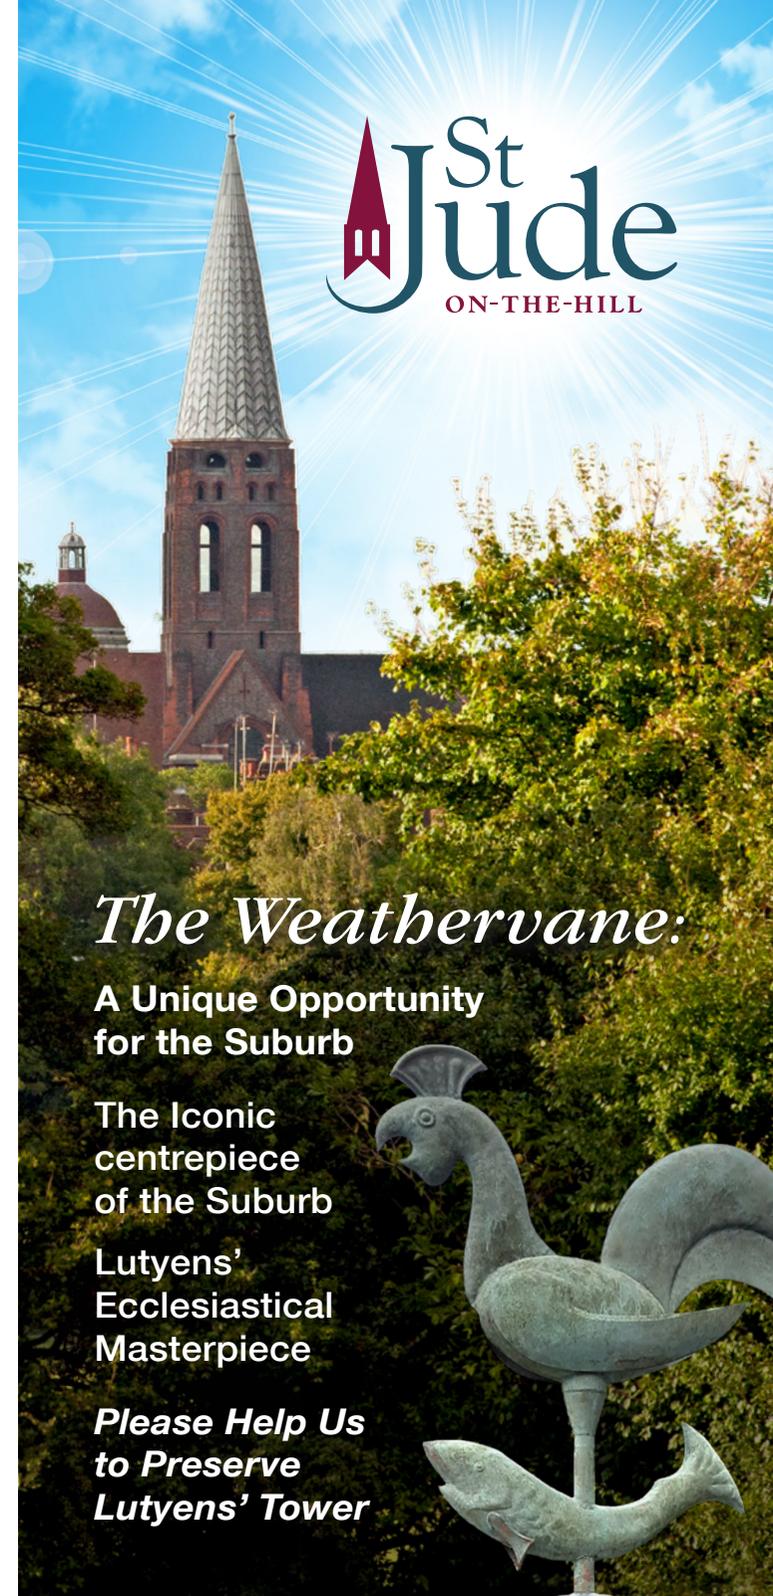

You can:

- > Visit our funding page at Virgin Money Giving – <https://uk.virginmoneygiving.com/charity-web/charity/displayCharityCampaignPage.action?campaignId=16124&charityId=1001962> – and follow the links there.
- > Donate by electronic transfer in favour of **St Jude-on-the-Hill PCC**. St Jude's bank account number and sort code are **34627668** and **30-93-50** respectively. Please quote your name and **"Repointing"** as your reference.
- > If donating by cheque or electronic transfer, please also complete and return the tear off slip enclosed with this leaflet so we know under what name to record the donation. Please enclose it with your cheque and drop it through the letterbox of the Vicarage or post it to **St Jude-on-the-Hill PCC, Central Square, London, NW11 7AH**. If you are making the payment by electronic transfer, please feel free to scan and return your slip to administrator@stjudeonthehill.com
- > Please tick the **Gift Aid Form** if you are eligible to enable St Jude's to garner extra funds.

The new weathervane will have a locking mechanism to prevent it blowing out again, so this is truly a once in a lifetime opportunity for St Jude's – please support this appeal.

Thank you for your support – it is very much appreciated.

If you want to learn more about what happened or want further information about the weathervane and its replacement, please feel free to contact **David White** at fabric@stjudeonthehill.com, as he has overseen the replacement from the outset.

The Weathervane:

A Unique Opportunity for the Suburb

The Iconic centrepiece of the Suburb

Lutyens' Ecclesiastical Masterpiece

Please Help Us to Preserve Lutyens' Tower

You may recall that the old weathervane blew out during Storm Barney in November 2015

It was irreparably damaged as it fell as you can see here:

As the building is listed Grade 1, St Jude's has had no option but to replace the weathervane and after extensive negotiations with Historic England, St Jude's now has a splendid replacement.

Installing the replacement presents St Jude's with a **unique and once in a lifetime opportunity** as a scaffold represents the only safe way of installing it and **the insurers are paying**.

If you value St Jude's as the iconic centrepiece of the Suburb, please help us carry out the essential repairs to the tower whilst the scaffold is up.

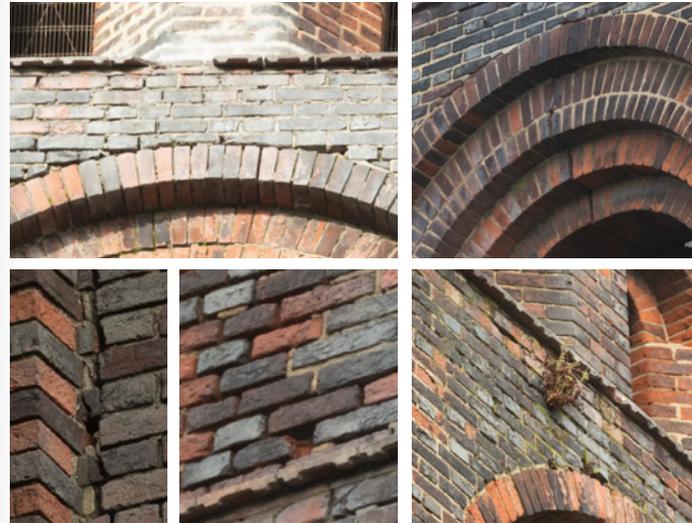

How can you help us?

Please consider sponsoring an area of the brickwork. There are 260 square metres of brickwork to cover at a composite cost of £207 per square metre. St Jude's needs to raise £42,000 and St Jude's will recognise all donations of £200 and over with a plaque in the church unless you wish to remain anonymous. If St Jude's raises more than it needs, St Jude's will put the surplus into the restoration fund for its additional restoration projects currently budgeted at £2.75m.

Why are repairs needed?

The building is over 100 years old and sits as a landmark at the top of the Suburb in its historic centre. The tower and spire gets battered by the prevailing winds and the brickwork is in very poor condition as these recent photos show:

How are the works being funded and what is included?

In negotiations with Historic England, St Jude's has applied for a grant of £46,665. St Jude's is contributing £11,666 from its restoration funds which will fall to £24,000 once the works are complete. The costs totalling £86,400 include:

- > Repointing the brickwork.
- > Repairing stress cracks inside the tower.
- > Installing high-level eyebolts to facilitate maintenance in the future.
- > Architects' fees.
- > Contingencies @ 15% of the total cost.
- > An assumption that St Jude's will not be able to recover the VAT incurred – this is because the current scheme expires in March and has yet to be renewed.
