The Hampstead Garden Suburb Residents Association is proud to promote this programme of concerts to celebrate the Millennium. It is our intention to appeal to a wide audience, ranging through jazz and popular music to classical concerts and using a mixture of local and professional musicians and concerts presented by other groups.

The Events Committee would like to thank the representatives of St. Jude's Proms, the Ham & High Festival, The Alyth Garden Choral Society, the Free Church Choir and Music Aid for their generous help in organising the programme.

All profits from the RA concerts will be given to the Dame Henrietta Barnett Fund.
