### PROMS AT ST JUDE'S 2006

As you may know, for the past few years we have been hosting a special spring evening reception and recital in order to say thank you to our patrons, sponsors, major donors, Gold and Silver Friends, and others who have been helping us in all sorts of ways with preparations for the forthcoming season of Proms at St Jude's.

This year's event is taking place on Sunday 2 April 2006, when Highgate School are very kindly making available to us the Mills Centre for Art, Design and Technology, 5 Bishopswood Road, N6. We should be delighted if you were able to join us for the occasion.

We shall start at 7.00 pm with wine and canapés, after which (at around 7.45) there will be a short programme of music. The players will be the brilliant young Duo Anglo Skandia, founded in 2002 at the Royal College of Music by Oliver Miller (flute) and Nils Klöfver (guitar). Their programme will include music by Mozart, Jacques Ibert, Ravi Shankar and Wilhelm Peterson-Berger. (You can read about them on their website at <http://ravessa.com/das/home.html>.)

I hope we can look forward to seeing you at what promises to be a delightful evening. As space is limited, and as we have already had to put some of our Friends on a waiting list, it would be helpful if you could let me know as quickly as possible, and in any event not later than Friday week, whether you would like to come; you may find it convenient to use the form at the foot of this letter.

Copies of the brochure with full details of the concerts and other events in June will be available at the reception for people to take away; if you are unable to attend we will make sure that you are sent one by post.
