

It's business as usual while we're building somewhere new

The new Institute prospectus, out in June, features our full range of over 500 courses.

Day and evening classes will be held in convenient venues around the Garden Suburb, in East Finchley and Muswell Hill.

Education for Life Skills, Computing and some other classes will move to Park House, opposite East Finchley tube station.

Sculpture and Pottery classes will not move.

We expect the enrolment office to remain in the Central Square building.

OPEN DAY Saturday 26 June 11 am - 4 pm

Institute Open Day on Central Square is your opportunity to spend a day with us while we help you to decide what to study.

You will be able to see all we have to offer, enrol again or find a new interest for 2004 - 5
