

# New Year's Eve on the square

The 10th Residents Association fireworks and party in St Jude's (thanks to the HGS Trust for the wine) was much appreciated:

*"Thank you so much to those who organised the lovely champagne and fireworks. It was our first time there and we so enjoyed it."*

*"What a great firework display last night - thank you to everyone who organised it. It was wonderful to see so many people in Central Square. My little daughter witnessed it all as her first ever New Year."*

*"I thought the church looked fantastic last night and it was wonderful to see so many people in there and sitting around the building admiring it."*

*"The fireworks were really splendid and the weather conditions perfect. It was a plus for us to be able to be there to share the Midnight celebrations with our local friends."*

*"Thank you to all who made it such a success."*

*"The fireworks were fabulous. It's always a great family event. Many thanks to all who organised it."*

*"Would just like to add my thanks to the organisers, to those given by others, for the splendid firework display and celebrations at St Judes."*
